**Permission for Regular offsite School Activities**

Dear Parents/Guardians,

Over the course of their time as a Senior School student, your child is likely to participate in a variety of regular offsite activities within normal school hours. For example, school sports carnivals and In-School Sport activities etc.

In signing the slip below you will be giving permission for your child to attend such activities for the duration of their enrolment. The College will adhere to the following guidelines:

- Notification: Prior to the event your child will be given formal notification letter to take home. Additionally, the notification letter will be attached to the relevant event on the Parent Portal.
- Safety: As part of the Workplace Health and Safety program within the College, a risk assessment will be carried out for activity, venue and external provider.
- Supervision: The appropriate staff to student ratios will be upheld in line with school policies.
- Transportation: The school will ensure adequate and safe transport is provided for all students. Offsite activities will often require transport via the school bus, external charter group or train.
- Excluded events: Additional permission from parents/guardians will be sought for:
  - Activities that pose significantly greater risk, e.g. water activities.
  - Offsite representative sports and co-curricular activities, e.g. camps.

To give your permission for your child to attend all ongoing offsite school activities please sign below. The slip is to be returned to your child's Tutor before the end of Week 2 Term 1, 2022.
